

# 10Gig ENNI Offer

To assist you in the uptake of our next-generation Eclipse services we are offering you the first 10Gig Vector Handover at no cost.

An active Vector Handover ENNI is a pre-requisite to being able consume Eclipse or Eclipse Lite.

## Business Benefits

### Easy

Be up and running on Eclipse or Eclipse Lite without the barrier of the handover cost

### Flexible

Choose from a number of data centre locations in the Auckland area for your free Vector Handover (ENNI)

### Competitive

This offer provides you a first year saving of approximately \$4300 based on current market pricing\*

## 10Gig Handover offer details
